The morning session on June 27 will be Sim-Man. Clinic begins the afternoon of June 27 or July 5, 2012.

For those already trained in parenteral moderate sedation looking for continuing education, you may attend any date or dates that you wish. This includes the didactic and the clinical portion.

Didactic Days: \$350/Day contact Jessica Smith at 503-228-6266 or at oragd@comcast.net to determine which class days those topics you would like to review are scheduled to be covered.

Clinical Days: \$2000/Day. Pick one or more clinic days to brush up on specific techniques or learn new ones. For those previously trained in courses where only a single drug was taught, learn the safe and effective use of opioids. For those wanting to learn techniques for longer procedures, custom designed experiences consisting of one or more clinic days can be created. Available Clinic dates are March 22nd - 25th, 2012, May 3rd - May 6th, 2012, May 31st – June 3rd, 2012, June 27th-June 30th, 2012 and July 5-8, 2012.
